

SAINT PETER CATHOLIC SCHOOL

Educating for Life...
Spiritually, Academically & Physically

STUDENT HANDBOOK 2023-2024

Patriots

Dear Parents and Students,

“Christ is the foundation of the whole educational enterprise in a Catholic School... He is the one who ennobles man, gives meaning to human life, and is the model which the Catholic school offers to its pupils... the Catholic school tries to create within its walls a climate in which the pupil’s faith will gradually mature and enable him to assume the responsibility placed on him by Baptism... the specific mission of the school is a critical, systematic transmission of culture in the light of faith and the bringing forth of the power of Christian virtue by the integration of culture with faith and of faith with the living.”

(Excerpts from the Vatican Declaration of the Catholic School, March 1977.)

This handbook will help you become better acquainted with the policies and philosophies of St. Peter and serve as the basis for cooperation and communication between home and school, which is so essential for the achievement of our goals.

4. To provide a program of quality education in which each child is given opportunities to develop his/her God-given potential to become a self-supportive and contributing member of society.
5. To help students to form a mature Christian conscience by being well-informed citizens of the community and the world.
6. To build a healthy self-concept whereby each student will recognize that he/she is a unique individual with special gifts and talents.

It is the expectation of the school that all parents/guardians/caregivers/volunteers and visitors always model acceptable behavior within the school setting, at school sponsored activities or in any social or professional media involving the school and/or Diocese. "It is incumbent upon parents to cooperate closely with the school teachers to whom they entrust their children to be educated; and in fulfilling their duty, teachers are to collaborate closely with parents who are to be willingly heard and for whom associations or meetings are to be inaugurated and held in great esteem" (*The Code of Canon Law*, Canon 796, Para. 2).

This Code is designed to guide all stakeholders in their dealings with staff, other parents, students, and the wider school community. The Code stands beside but does not exclude or replace the rights and obligations of individuals under common law while recognizing the rights of the Diocese of Orlando as a Catholic religious entity and the religious nature of Catholic schools.

A quiet space needs to be provided to the student only, to avoid disruptions or distractions to the teacher and other students. If parents/guardians have any concerns with the livestream instruction, they need to schedule time with the teacher outside of class time

Addressing concerns regarding situations involving your student(s):

Our Catholic schools want to work in partnership with our families. Therefore, the administrative structure for addressing concerns is as follows:

1. Speak to the appropriate school person involved (e.g. class teacher) first and try to resolve the concern with mutual respect and clear communication. Where/if possible make an appointment with the relevant person. Follow the chain of command.
2. If for some reason this is not possible, then make an appointment to see an administrator, or other designated leadership personnel.
3. The Administrator (or designee) should attempt to mediate and find resolution in the presence of both parties.
4. If, having followed Steps 1-3 with no satisfaction, the parents must contact the pastor. Only after steps 1-4 have occurred with no resolution, then you may contact the Office of Catholic Schools using information on the website of the Diocese of Orlando - Office of Catholic Schools for further facilitation (<https://www.orlandodiocese.org/ministries-offices/schools/>).
5. Understand that parents, caregivers, guardians, etc. will not receive disciplinary or conflict resolution details that involve children other than their own. This is in accordance to Florida Statute.

It is important to note that criticism regarding a faculty/staff member will only be heard if it is related to their professional conduct.

Breaches and/or the inability to respect the Diocese of Orlando – Office of Catholic Schools Code of Conduct for Parents, Guardians, Caregivers, Volunteers, and Visitors, or exasperating complaints, may result in exclusion of a parent, guardian, caregiver, volunteer, and/or visitor from a school, and/or possible termination of enrollment of their child/ren.

If your complaint relates to Sexual Abuse by a faculty/staff member towards a child in both an historical or current matter, you should, contact the statewide toll free abuse and neglect registry at 1-800-96ABUSE (1-800-962-2873) and/or law enforcement. The Diocese of Orlando also offers the service of a Victim Assistance Coordinator. The number is 407-246-7179.

Parents, Guardians, and/or Caregivers, when signing off on accepting the school's policies in the Enrollment Application Form, and by the act of accepting enrollment at a Diocese of Orlando Catholic School, are accepting of this Code of Conduct in its entirety.

Excerpts of this policy have been used by permission of the Diocese of St.Petersburg, FL.

St. Peter Catholic School

Technology Responsible Use Policy 2020-2021

Diocese of Orlando / Office of Catholic Schools

Student Technology Responsible Use Policy

7/6/2020

1.0 Introduction

St. Peter Catholic School recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills.

To that end, we provide access to technologies for student and staff use.

This Technology Responsible Use Policy outlines the guidelines and behaviors that students are required to follow when using school technologies or personally owned devices on and off school campus.

- The St. Peter Catholic School network is intended for educational purposes.
- All activity over the network or when using school technologies will be monitored and retained.
- Access to online content via the network may be restricted in accordance with our policies and federal regulations, such as the Children’s Internet Protection Act (CIPA).
- Students are expected to follow the same rules for good behavior and respectful conduct online as offline.
- Misuse of school resources or personal devices while connected to the school network or outside network can result in disciplinary action.
- St. Peter Catholic School makes a reasonable effort to ensure students’ safety and security online but will not be held accountable for any harm or damages that result from use of school technologies.
-

- Users of the school network or other technologies are required to alert Administrator, Technology staff or teacher immediately of any concerns for safety or security.

2.0 Definitions

2.1 Authorized Users:

- **Student:** any child 18 years or younger enrolled in St. Peter Catholic School
- **Faculty/Staff:** any person who is employed by St. Peter Catholic School, whether part-time or full-time, who provides instruction or supports the school operations.

2.2 School Network: communications systems connecting two or more computers and their peripheral devices to exchange information and share resources; it includes wired and wireless

2.3 Internet: includes both external and internal access of communications and data storage equipment, either owned or reserved for use by St. Peter Catholic School

2.4 Technologies Covered: St. Peter Catholic School may provide Internet access, desktop computers, mobile computers or devices, videoconferencing capabilities, online collaboration capabilities, message boards, email, and more. Also, St. Peter Catholic School may allow students to bring their personal devices which will also be covered by this policy.

As new technologies emerge, St. Peter Catholic School will attempt to provide access to them. The policies outlined in this document are intended to cover **all available technologies**, not just those specifically listed.

3.0 Usage Policies

All technologies provided by the school are intended for education purposes. All students are expected to use good judgment and to follow the specifics of this document as well as the spirit of it: be safe, appropriate, careful and kind; do not try to get around technological protection measures; use good common sense; and ask if you do not know. If the inappropriate behavior happens outside of the school, and it is brought to the principal's attention, St. Peter Catholic School will investigate and may have disciplinary repercussions at the discretion of the school according to the Code of Conduct.

3.1 Web Access

St. Peter Catholic School provides its students with access to the Internet, including web sites, resources, content, and online tools. That access will be restricted in compliance with Diocesan Social Communication Policy, CIPA (Children's Internet Protection Act) regulations and school

policies. Web browsing may be monitored, and web activity records may be retained indefinitely.

Students are expected to respect that the web filter is a safety precaution and should not try to circumvent it when browsing the Web. If a site is blocked and a student believes it should not be, the student should follow school protocol to alert Technology staff or submit the site for review.

3.2 Email

St. Peter Catholic School may provide students with email accounts for the purpose of school-related communication. Availability and use may be restricted based on school policies.

If students are provided with email accounts, they should be used with care. Students should not send personal information; should not attempt to open files or follow links from unknown or untrusted origin; should use appropriate language; and should only communicate with other people as allowed by the school policy or the teacher.

Students are expected to communicate with the same appropriate, safe, mindful, courteous conduct online as offline. Email usage may be monitored and archived.

3.3 Social / Web 2.0 / Collaborative Content

Recognizing the benefits collaboration brings to education, St. Peter Catholic School may provide students with access to web sites or tools that allow communication, collaboration, sharing, and messaging among users.

Students are expected to communicate with the same appropriate, safe, mindful, courteous conduct online as offline. Posts, chats, sharing, and messaging will be monitored by teachers and the sites will be protected from outside viewers. Students should be careful not to share personally identifying information online.

The use of personal social media sites for enjoyment is prohibited on campus during instructional hours. Students must refrain from taking and posting pictures and videos of themselves, other students or teachers at school during instructional hours.

3.4 Livestreaming

For distance education, St. Peter Catholic School will implement a video conferencing platform that will allow teachers to livestream instruction to students at home. It is important to know that classes will be streamed in a secured platform with encryption of data in transit, password

protection, will not be recorded, and only students assigned to the class will have access to it. The camera will be focused on the teacher and the content presented to the class.

Students are expected to communicate with the same appropriate, safe, mindful, courteous conduct as if they were present in the classroom. In addition, they must not try to record or take screenshots of the livestream. If they need further assistance, they should schedule time to talk to the teacher.

3.5 Mobile Devices Policy

St. Peter Catholic School may provide students with mobile computers or other devices to promote learning outside of the classroom. Students should abide by the same responsible use policies when using school devices off the school network as on the school network.

Students are expected to treat these devices with extreme care and caution; these are expensive devices that the school is entrusting to the student's care. Students should report any loss, damage, or malfunction to the Technology staff immediately. Students may be financially accountable for any damage resulting from negligence or misuse.

Use of school-issued mobile devices off the school network may be monitored.

3.6 Personally Owned Devices Policy

St. Peter Catholic School may allow students to bring personally owned devices to use in the classroom after it has been approved by the Technology staff. Students should keep personally owned devices (including laptops, tablets, e-readers, smart phones, cell phones, and smart watches) turned off and put away during school hours unless as instructed by a teacher or staff for educational purposes or in the event of an emergency.

Because of security concerns, when personally owned mobile devices are used on campus requiring the use of data, these devices must only be on the school network, data services must be disabled and permission from the Technology staff is required. For the Technology staff to grant permission, students need to submit the required paperwork with the appropriate information such as MAC address and serial number. In some cases, a separate network may be provided for personally owned devices.

Students must follow the same code of conduct for use of personally owned devices on St. Peter Catholic School campus or at other functions, whether on or off property, related to St. Peter Catholic School.

3.7 Security

Students are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files or programs of unknown or untrusted origin.

If the student believes a computer or mobile device the student is using might be infected with a virus, IT must be alerted immediately. The student must not attempt to remove the virus or download any programs to help remove the virus.

3.8 Downloads

Students should not download, attempt to download, or run .exe programs or any other executable programs over the school network or onto school resources without express permission from the Technology staff.

Students may be able to download other file types, such as images or videos. For the security of our network, download such files only from reputable sites, only for education purposes, and following copyright laws.

3.9 Netiquette

Students should always use the Internet, network resources, and online sites in a courteous and respectful manner.

Students should also recognize that among the valuable content online is unverified, incorrect, or inappropriate content. Students should use trusted sources when conducting research via the Internet and follow copyright laws for their use.

Students should also remember not to post anything online that they would not want parents, teachers, or future colleges or employers to see. Once something is online, it is out there—and can sometimes be shared and spread in ways it was never intended.

3.10 Plagiarism

Students should not plagiarize (or use as their own, without citing the original creator) content, including words or images, from the Internet. Students should not take credit for things they did not create themselves or misrepresent themselves as an author or creator of something found online. Research conducted via the Internet should be appropriately cited, giving credit to the original author.

4.0 Personal Safety

Students should never share personal information, including phone number, address, social security number, birthday, or financial information, over the Internet without permission from a parent or legal guardian. Students should recognize that communicating over the Internet brings anonymity and associated risks and should carefully safeguard the personal information of themselves and others. Students should never agree to meet someone they meet online in real life without parental or legal guardian permission.

If you see a message, comment, image, or anything else online that makes you concerned for your personal safety, bring it to the attention of an adult (teacher or staff if you are at school; parent or legal guardian if you are using the device at home) immediately.

5.0 Cyber Bullying

Cyber bullying will not be tolerated. Harassing, dissing, flaming, denigrating, impersonating, outing, tricking, excluding, and cyber stalking are all examples of cyberbullying. Do not be mean. Do not send emails or post comments with the intent of scaring, hurting, or intimidating someone else.

Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime. Remember that your activities are monitored and retained.

6.0 Sexting

Any student taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting,” which can include, but is not limited to, pictures of themselves, other students or friends without appropriate clothing or in compromising or suggestive positions, will be disciplined according to the Student Code of Conduct, may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement. This type of behavior needs to be immediately reported to the parent/guardian, and if it involves other students in the school, it should be reported to the teacher or principal.

7.0 Examples of Responsible Use

- ✓ Use language online that would be unacceptable in the classroom.
- ✓ Use school technologies for illegal activities or to pursue information on such activities.
- ✓ Attempt to hack or access sites, servers, or content that is not intended for my use.

This is not intended to be an exhaustive list. Students should use their own good judgment when using school technologies.

9.0 Internet Safety Plan

- ✓ St. Peter Catholic School implements an effective internet filtering and reporting solution Fortinet Client, that monitors internet activity, and uses current technologies to detect inappropriate usage and block and/or filter visual depictions that are obscene, pornographic or in any way harmful to minors as defined in CIPA

This form must be turned in by the deadline identified on the form in order to be considered. All forms turned in after this date will not be considered.

Tuition is paid one of three ways:

- Full payment is due June 30th to receive a discount. The discount rate is determined annually by the School Advisory Board.
- Two payments to be processed through FACTS due June 30th and December 30th.
- FACTS tuition plan that is 11 monthly installments beginning in July and ending in May. Families have a choice of the 5th or 20th of the month.
- If a student is withdrawn or terminated during the school year, a refund will be made for the un-used balance.
- If a student enrolls before school starts but after the normal FACTS withdrawals begin, full tuition will be collected over the remaining monthly periods.
- If a student enrolls after school starts, tuition will be prorated according to the amount of time missed.

DELINQUENT TUITION

Parents with delinquent tuition accounts will be notified first in writing, and then by phone. Failure to become current in tuition will result in notification of our collection agency to begin collection action and may affect the attendance at St. Peter Catholic School. If missed payments occur due to insufficient funds, FACTS will reattempt after 10 days of the original due date. After that, FACTS will pursue the missing payment. There will be a \$20 charge assessed by FACTS for a missed insufficient payment. The FACTS tuition contract contains details for additional fees. Parents will not be able to access FamilyPortal until all accounts are made current. Report cards, cumulative and health/immunization records will not be released until all tuition and other fees are paid in full. Students that are in 8th grade will not be allowed to participate in graduation activities and the graduation ceremony until all tuition and fees are paid.

REDUCED TUITION

Any family that foresees that they will be unable to make full tuition payments are asked to contact the principal. A reduced rate may be considered and/or financial assistance may be granted. Such arrangements will be made on an annual and individual basis.

PARENTS ROLE IN EDUCATION

PARENTS' COOPERATION

The parish school is an extension of education that began in the home. When a student begins their education at St. Peter, it is not a beginning of education but a continuation of what has begun at home. The school will continue to need your support in the educational process. While teachers are trained in instructional best practices, the school cannot provide the sum total of a child's educational needs. Parents can assist their children by following the suggestions below:

- Assure your children that you love them.
- Provide opportunities to talk about things in general, about activities in school, in particular lessons, books, projects.
- Take time to read to younger children each night before bedtime. Classics and Bible stories are excellent (older children will benefit too).
- Help establish and stick to a daily routine for homework, television watching, technology use and video game playing, and home responsibilities.
- Be an example for your child.
- Assure that your child is at school on time.
- Be sure that your child gets plenty of rest. At least 8 hours a night are needed for a healthy body and mind.
- Attend Mass regularly.
- Provide opportunities to develop a spiritual faith that they can rely on during difficult growing years, a faith on which they can fall back on when mom and dad are no longer available for guidance.

CHURCH PARTICIPATION

Parents who are Catholic are expected to participate regularly at Mass each weekend and on Holy Days of obligation. As registered members of St. Peter parish, they are expected to take an active part in the parish and contribute time, talent and treasure. A minimum parish donation of \$750 is expected in order to qualify for the family parish tuition discount. Parents that are members of other parishes are expected to meet the same conditions of the parish that they attend.

VOLUNTEERS

Volunteers are needed in many different areas at various times during the year. All volunteers MUST be fingerprinted and undergo a background check. All volunteers and visitors must check in through Raptor in the main office and wear the name badge and lanyard provided. There is a 20-hour volunteer requirement for each family. Volunteer hours will be recorded in RenWeb.

PARENT/TEACHER CONFERENCES

It is preferred that conferences be conducted in person. In-person conferences are by appointment only. No conferences, either with the teacher or administration, will occur without an appointment. If a conference is desired, please contact Mrs. Perry, mperry@stpeter-deland.org, so that she may make arrangements.

PARENT COMMUNICATION

Communication is key for establishing a partnership between school and home. Parents are required to adhere to the following:

- Call the school by 8:30 a.m. if a student is absent.
- Notify the school with a written excuse when a student is absent or tardy.
- Update any change of address, phone numbers, emails, emergency contacts/pick up, the parish you attend in RenWeb.
- Inform the school of any special situation regarding the student's well-being, safety and health.
- Complete and return any forms or information promptly.
- Support the religious and educational goals of the school.
- Support and cooperate with the discipline policy of the school.
- Treat all members of the school faculty and staff with respect.
- Contact the student's teacher(s) with any concerns or questions.

SCHOOL GENERAL INFORMATION

OFFICE HOURS

The school office is open from 7:30 A.M. to 3:30 P.M. daily.

MASS

The school Mass occurs every Wednesday at 8:15. Students assist with Mass. The school Mass uniform are to be worn on Mass days, unless the student has PE.

SACRAMENTAL PREPARATION

St. Peter Catholic Church, under the direction of the Director of Faith Formation, prepares students to receive sacraments. Students in second grade receive the sacraments of Reconciliation and First Eucharist. As students receive their faith formation to receive these sacraments, parents are asked to receive faith formation as well and partner with the parish in preparation. Information regarding these sacraments will be communicated by the teacher and the Director of Faith Formation for the parish.

SCHOOL HOURS

School hours are from 7:50 A.M. to 3:00 P.M., except on Wednesdays, when dismissal is at 2:00 P.M. Teachers and students will gather in the courtyard for morning prayer at 7:50 on Mondays. Fr. Medina and the principal will conduct morning prayer.

MORNING AND AFTER-SCHOOL CARE

Before-school care is available at 6:30 A.M. in the Spanish room. Students on the school grounds before 7:30 A.M. will be sent to the morning-care room. Parents are required to walk the student to the door for morning-care. After-school care is available from 3:00-6:00 P.M. in the extended care rooms. Parents who are late to pick up will be billed \$5 for every 5 minutes. Parents will be billed via FACTS for before- and after- school care services. The cost for these services is \$5 per hour.

PARENT TEACHER ASSOCIATION

The Parent Teacher Association (PTA) partners with the school to organize and implement parent volunteer programs for the school, and a commitment to fundraise each year to enhance the education of our students. Each family is expected to contribute towards and assist the PTA in its fundraising efforts as well as volunteer.

SCHOOL ADVISORY BOARD

The School Advisory Board's purpose is to promote the value of Catholic education. Its purpose is to advise the principal and pastor concerning school policies, finance, technology, facilities, and strategic planning.

NEWSLETTER/SCHOOL NOTICES

Bulletins, announcements, and notices will be sent electronically on Fridays during the school year. School notices will be communicated via RenWeb either by email, text, or voice. The school calendar will be posted on both the school website and FamilyPortal. Please make sure the parent email and cell phone number placed in RenWeb is correct and is one that is used often.

ATTENDANCE

I. Policy

- A. Attendance in school is a major predictor of student academic success. Students must attend school punctually and regularly, and conform to the attendance policies of the school, the Diocese of Orlando, and the laws of the State of Florida-
- B. It is the shared responsibility of the school and the home to assist students in developing desirable habits of punctuality and attendance.
- C. Schools shall maintain accurate attendance records for all students and follow the Diocesan Record Retention Policy for archival purposes. No paper attendance registers are required if electronic attendance is taken.
- D. The Diocese of Orlando requires all schools to develop a calendar which represents 181 instructional days per school year and meets or exceeds Florida Statute A-1, 09512. See Links and Supporting Documents.

II. Procedures/Guidelines

- A. All absences must be recorded through an automated student attendance recordkeeping system approved by the Diocese of Orlando. For St. Peter Catholic School, this is RenWeb. For students in grades K-8, attendance must be taken at the start of the day. For students in grades 9-12, attendance should be taken by instructional period. Students in K-12 are considered absent when more than 50% of the school day is missed.
- B. A student is considered absent when he/she is either not in the school building or fully present in a virtual setting. Whether or not the absence is excused or unexcused is determined by administration.
- C. Attendance expectations for all students are:
 - 1. It is the parent's/guardian's responsibility to contact the school if their child will be absent and to state the reason for the absence. The principal is authorized to require satisfactory explanation from the legal/custodial parent or guardian for the absence of a pupil for all or any part of the school day. The explanation must be obtained in writing and retained as documentation. Failure to provide this will result in an automatic, unexcused absence. A physician's note is needed when the student:
 - a. Has been absent for three or more consecutive days;
 - b. Has had surgery;
 - c. Is returning to school after a hospitalization;
 - d. Has been under a doctor's care for a significant illness; or
 - e. Is returning to school after being excluded because of a communicable disease.
 - 2. Policy and Procedures for defining and tracking excused or unexcused absences are as follow:
 - a. Excused absences include the following:
 - i. Illness or injury to the student;
 - ii. Serious illness or death in the student's family;
 - iii. Scheduled medical appointment;

- iv. Required court appearance or supervised visitation;
 - v. Having or being suspected of having a communicable disease or infestation including but not limited to head lice, ringworm, impetigo, and scabies;
 - vi. Approved school-sponsored events, school athletic events, retreats;
 - vii. College site visit; or
 - viii. Special event, excused at the principal's discretion with permission from the principal in writing five days prior to the scheduled event, including pre-arranged event of educational value.
- b. Unexcused absences include but are not limited to the following:
- i. Vacations or pleasure trips;
 - ii. Suspension from school;
 - iii. Truancy; or
 - iv. Other avoidable absences not included on the "Excused Absence" list above.
3. Process for communication of attendance concerns with parent(s) or guardian(s).
 4. Plan corrective action to address attendance concerns to include prevention and intervention strategies, and written plan for academic remediation.
 5. Students are required to complete missed assignments and/or class work.
 6. Conditions for notification to appropriate office and/or agency for habitual non-attendance.
- D. For long-term or extensive absences due to medical conditions, parents should enroll the student in the applicable county public school district for home instruction or make an arrangement with the school administrator for continued academic progress.
- E. Students whose absences exceed 5 unexcused absences within a calendar month or 10 unexcused absences within a 90-calendar day period shall be referred to the principal for a conference to be held with the student, his or her parent(s) or legal guardian(s). The principal will document this meeting to include date, time, attendees, and the corrective action plan decided upon to improve the student's attendance and academic performance. Excessive absences may result in retention, the loss of scholarship and/or withdrawal from the school. Attendance is reported quarterly to the School Choice Office.
- F. Teachers will verify attendance records at the end of the year. These records are retained as dictated by the Records Retention Policy.
- G. Students who do not comply with the school's published attendance policy may be retained, lose class credit, be suspended, be asked to withdraw, or be expelled. Students enrolled in the Florida School Choice Scholarship Program who are out of compliance with Diocesan attendance requirements risk the loss of the scholarship.
- H. In case of emergency, teachers must have access to classroom rosters in either electronic or paper format. This roster should contain each period attendance list as well as list of student medications and must be made available as part of plans/directions for substitute teachers.

TARDINESS

School begins promptly at 7:50 A.M. daily. Students are tardy if they are not present for morning prayer. Students are not to be dropped off in the main office if they are tardy. The parent will go through car line and the student will be issued a tardy slip there. Students that are tardy may only enter in the main office after 8:15.

Please plan to make sure that your children arrive to school on time every day. It is important to be on time to school because:

1. Our morning prayer starts at 7:50 am. As a Catholic school, this is the most important class of the day! Students who arrive late, or interrupt the prayer serve as a distraction to others.
2. Parents should realize that punctuality is a critical life skill that children can learn by arriving on time to any function. School is a child's first job, so on-time performance is critical.
3. Arriving at school on time demonstrates respect for the educational process.
4. As a school, we are charged with educating children, a job we take seriously. We cannot teach those who are not in class. Equally important is the distraction that late arriving students cause others and the many staff members that must be taken away from their job to make sure the tardy student arrives at class safely.
5. Attendance at weekly Mass is part of the required school program.

After five (5) late arrivals to the start of the day, the parent will receive a notification from the school. The five tardies reset at the end of each trimester. Students will receive a detention for the five tardies. If parents and students who try to arrive at school between 7:30 and 7:40 and establish a family goal and plan to leave the house only 10 minutes earlier each day, the only tardiness would be in extreme emergencies. Please practice leaving 10 minutes early. Excused tardies will not count against a student. Ensuring on-time arrivals leaves plenty of room for unexpected emergencies. Diocesan policy states that students who do not comply with the school's published punctuality policy may be suspended or required to withdraw. Parents must be aware that once a child reaches 10 unexcused absences or unexcused tardies, they will be notified and may be asked to meet with the principal. Continued excessive absences or tardiness, regardless of whether it is due to illness, may result in your child being asked to withdrawal from the school. Children who receive Step Up for Student (SUFS) scholarships must adhere to the school's attendance policies to maintain eligibility to continue to receive the scholarship.

CHECKING STUDENTS OUT DURING THE SCHOOL DAY

If for any reason a student must leave school during the school day, written permission must be sent to the teacher the morning the student will be checked out. A student will not be allowed to leave with verbal permission or with someone that is not on the emergency contact or pick-up list on RenWeb. An ID will be asked for before a child is released. The authorized person picking the student up will sign the "sign-out sheet" in the main office and must be listed in Emergency Contacts/Pick Up in RenWeb.

SICKNESS POLICY

If a student is ill during the school day, he/she will be required to wear a mask while in the clinic. The school will provide a mask if the student does not have one. Sick students must be picked up by a parent or guardian within an hour, unless other arrangements have been approved by the school administrator. In order to prevent the spread of an illness, it is essential and imperative that a student is picked up within the agreed time. If not, DCF or other appropriate authorities, will be contacted to intervene.

Students that have the following will be sent home:

- Temperature of 100.4 or above
- A skin rash that has not been identified by a physician
- Diarrhea and/or vomiting
- Coughing
- Conjunctivitis symptoms
- A moist or open cold sore

If a student exhibits a temperature of less than 100.4, a parent will be called and encouraged to pick the student up. A parent may be required to provide doctor's note of wellness before a student is allowed to attend school again. A parent is required to notify the school if their child has a communicable disease. To safely return to school, the student must be fever free for 48 hours without any fever-reducing medication and present a doctor's note to return to school.

REPORTING ILLNESS, EXPOSURE, AND/OR COVID-19 POSITIVE TEST

Families are asked to take necessary precautions to help reduce the spread of the virus. Any student who is sick with fever (of 100.4) or exhibiting symptoms of COVID-19 are required to stay home. If a student tests positive for COVID-19, parents are **REQUIRED** to notify the school immediately so that proper action can be taken to mitigate the risk of the virus spreading to other students or staff. The school will take the necessary steps in keeping with HIPAA to notify those who may have been potentially exposed and to implement mitigation efforts suggested by the CDC and the local health department.

For the safety of our students and staff, parents are **expected** to report if their child has tested positive with COVID-19. A student who is positive will be required to remain home until the recommended quarantine time of 5 days has elapsed.

MEDICATION

The following are guidelines for prescription and over the counter medication administration:

- Prescription and over the counter medication medications require proper written authorization.
- The Student Medical Authorization Form for **prescription medications** must be completed, signed by the parent or guardian and the prescribing physician. The form needs to be turned in to the clinic at the beginning of the school year or at the time the medication is prescribed. Any change in the medication, dosage, or prescribing physician necessitates the completion of a new authorization form. This form can be found on the school website using the link below:
<https://www.stpeter-deland.org/files/134506581.pdf>
- Over the counter medications only require parental authorization.
- Children that have a prescription for an Epi-pen or rescue inhaler will be required to have an Emergency Care Plan filled out and signed by their physician and parent.
- The authorization form and the medication must have the child's full name, name of medication, directions/dosage/method of administration, time of day to be taken, physician's and parent's name, signature, and phone number. The medication must not be expired.
- All medication will be administered by school personnel. Students may not carry medication with them or self-administer.
- The clinic will only store medications for students that have an authorization form on file.
- The parent/legal guardian will receive a courtesy call when medication is running low or expired.

- The parent/legal guardian will be notified when unused/discontinued medication is left at school. If not picked up within 5 business days, the medication will be appropriately discarded.
- Any questions regarding medication and its administration should be directed to the school nurse, who will determine the appropriate action.

School clinics are only for first aid. Students may only go to the clinic with teacher permission.

VOLUNTEER SERVICE REQUIREMENTS

Volunteers are needed in many different areas at various times during the school year. Families are required to complete 20 hours of community service through either the school or the parish. All volunteers **MUST** be fingerprinted through the Diocese of Orlando and undergo a background check. Volunteers must sign in at the main office, sign the visitor book, and wear a volunteer lanyard with a printout ID from Raptor. Volunteer hours will be documented in RenWeb and can be reviewed in Family Portal.

PARTIES

Homeroom mothers will provide parties for Halloween, Christmas, Valentine's Day, and end of the year. Decorations and food should be kept simple. Funds from the Activity Fee will be used to pay for the parties.

BIRTHDAYS

Students are allowed to have free dress on their birthday. If the student's birthday falls on the weekend or a holiday, the free dress will be coordinated with the teacher. The dress must follow the no uniform today guidelines. Parents may send a small treat on the birthday. The treat will be distributed at lunchtime. The treat should be individually portioned and not include gum, candy, or perishable food such as ice cream. Please do not send in whole cakes or cupcakes that are connected with icing, as these are messy and require

RETURNING TO SCHOOL AFTER DISMISSAL

Students are not allowed to return to the school building after the 3:00 dismissal unless accompanied by a teacher or administrator.

UNIFORMS

Students are expected to always dress in school uniforms. Please clearly mark all uniform items with the student's name. The uniform shirt available through Dennis Uniforms is navy blue. Students may wear polos from the PTA Used Uniform Store or any uniform already owned that has the school logo on it. All uniforms should be purchased from the school-contracted uniform provider:

Students should not exchange gifts at school. If a student is having a party, invitations should be mailed to the students' home or sent via email. Invitations may not be passed out at school. Students may have a free dress day on their birthday and should follow dress down day rules. Students that have a birthday on a Wednesday must have an agreement with the teacher to dress down on another day.

FIELD TRIPS

Each class may take part in one or more field trips during the school year. Permission slips from the Diocese of Orlando must be completed and signed for a student to attend a field trip. All chaperones must have completed fingerprinting and be cleared. Parents and/or guardians may not show up on the day of the field trip without permission of the school. Students are expected to attend any arranged field trip.

Field trips are a privilege, not a right. All field trips will have an educational objective. Students who have discipline problems may lose this privilege. If this should occur, the student will attend school the day of the field trip.

Students will wear their uniform on a field trip. The uniform type will be identified by the teacher with approval from administration.

1. Field trips are designed to correlate with teaching units and to achieve academic goals.

Students are allowed to use the phone in the school office only with permission and in case of emergency. Forgotten homework or projects, lunch, or sports uniforms do not constitute an emergency.

SCHOOL SAFETY

The Diocese of Orlando has a complete safety plan that is required of each school. This plan includes emergency drills and their required frequencies, and places to go during these drills. St. Peter is compliant with these requirements.

WEATHER

For school closings due to weather, St. Peter will follow Volusia County Public Schools, as required by the Diocese of Orlando. Please follow local news and radio broadcasts for the latest developments regarding school closing. St. Peter will communicate via email, text, and voicemail if we will be closed. Please be advised that the re-opening decision will be made independent of what Volusia County Public Schools do. This will be based on the situation with our campus. We will post on our school website, along with the above communication methods to notify families of when we will re-open.

BOMB THREAT

In the event of a bomb threat, students will be evacuated. If St. Peter is not able to reenter the school building, students may be picked up at:

DeLand City Hall
120 S. Florida Ave.
DeLand, FL. 32720

(Corner of New York Ave.)

ACADEMIC INFORMATION

CURRICULUM

St. Peter extends a variety of course offerings for students to grow in their faith and academic knowledge acquisition. Students in grades 4PK-8 will receive instruction in religion, math, English language arts, science, and social studies. Spanish is offered to grades 5-8, physical education to 4PK-8, Art to 4PK-8, music to 4PK-8, and computer K-8.

GRADES

Parents can access their students' grades through RenWeb via the FamilyPortal. Grades will be posted by teachers no later than 5 school days after the assignment was completed. It is the parent's responsibility to monitor student grades on FamilyPortal. Report cards are posted in FamilyPortal every 12 weeks. The report card can be printed by the parent; therefore, the school will not be providing a hard copy.

GRADING SCALE

4PK-5th grade use standards-based report cards. Students are graded on a standards proficiency scale in a variety of standards for each subject:

Proficient (P)- the student work meets grade level expectations.

Developing Proficiency (DP)- the student work is developing but is not consistent in meeting grade level expectations.

Emerging Proficiency (EP)- the student work is emerging and beginning to show progress/understanding but is not meeting grade level expectations.

Insufficient Progress (IP)- the student work shows insufficient progress and is below grade level.

If the standard is blank, then the skill was not assessed for the trimester.

Grades 6-8 use the traditional number scale:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = 59 or below

An "I" indicates that the student's coursework for that subject is incomplete and must be made up in a time identified by the teacher and administration to be promoted to the next grade.

All students will have their behaviors rated in responsibility, participation, assignment completion, and interpersonal skills. The learned behavior scale is:

- 1 The student consistently demonstrates this behavior
- 2 The student sometimes demonstrates this behavior
- 3 The student seldom demonstrates the behavior

HONORS CRITERIA FOR GRADES 6-8

Students may be placed in honors classes if they have the 70th percentile or higher on the Terra Nova in both reading and math to be in honors classes, along with the teachers' recommendations.

ACADEMIC PROBATION

A student whose academic performance indicates grade-level deficiencies may be placed on academic probation. This will be initiated by the principal with an identified time period for the student to improve. A contract will be signed by the parent and the student. Students new to St. Peter are on an automatic 90-day probation.

STANDARDIZED TESTING

The standardized test for St. Peter Catholic School and the Diocese of Orlando is Terra Nova. All students in grades 2-8 are required to take this summative assessment. Parents will receive a copy of the test results. While St. Peter does not use the test results to determine promotion to the next grade, the results are used to analyze student growth and academic progress as well as for placement in honors classes for the middle school. Students are encouraged to perform to the best of their ability during this assessment. The ACRE test is given to grades 5 and 8 in the spring and is a measurement of religious formation.

HOMEWORK

Homework is an integral part of student learning. Homework will be posted on the learning management system (LMS) used by St. Peter, RenWeb. Students are also required to write their homework in their student planners. Each teacher has a specific homework policy that will be communicated at the beginning of the school year. The time allotment deemed appropriate for each grade level is below:

Kindergarten- 10 minutes

1st Grade- 20 minutes

2nd Grade- 30 minutes

3rd Grade- 40 minutes

4th Grade- 50 minutes

5th Grade- 60 minutes
