Saint of the Day

St. Bruno wrote commentaries on the Psalms and on the letters of St. Paul. He lived a life of solitude and prayer. May St. Bruno inspire us to deepen our prayer life and find moments with God in our solitude.

This week we kicked off our Reading Passport. This is a reading initiative created by Mr. McConnell where students receive rewards for AR, Accelerated Reader, points they accumulate. The Reading Passport will stay in the classroom with the teacher. Students have their AR account online and take a test after they have read a book. Points are received for accurately answering questions about the book. Please encourage your students to read at home. Reading is a skill where students only improve if they practice. The rewards and point values are beside this reflection. Nationwide, reading has taken a dip. While we at St. Peter are performing well, we want our students to grow in their reading abilities so that they learn to love reading. We will give out the first rewards for the Reading Passport Monday at courtyard.

Congratulations to Joe K. and Rebecca O. for being the first students to earn 200 points. We are going to lunch next week to celebrate. We are so proud of them!!
